

SRM
UNIVERSITY AP
— Andhra Pradesh

B A DEGREE IN **PSYCHOLOGY**

IN ACCORDANCE WITH NATIONAL EDUCATION POLICY (NEP) - 2020
AN OPTIONAL 4TH YEAR WITH RESEARCH

MERIT-BASED FEE STRUCTURE

WHY STUDY PSYCHOLOGY AT SRM UNIVERSITY-AP?

UNIQUE CURRICULUM

Students are exposed to diverse areas of psychology, with the courses falling under the five broad categories:

- Foundational courses (e.g., Critical Thinking)
- Theory-driven core courses (e.g., Social Psychology, Biological Psychology)
- Application-oriented courses (e.g., Educational Psychology, Sports Psychology)
- Practicum-oriented courses (e.g., Psychology Practicals, Field Project)
- Research-oriented courses (e.g., Dissertation, Research Practicals)

MINOR AND ADDITIONAL COURSES

In addition to majoring in psychology, students have an option to take additional courses, as well as a minor, within the liberal arts domain, in disciplines such as Economics, History, English or Mathematics.

OPTIONAL 4TH YEAR AND TRAINING FOR HIGHER EDUCATION

The three-year Bachelor programme is extendable to an optional fourth year specially curated to make the students aware of the cutting edge research being done in the discipline of commerce worldwide. Special coaching will also be provided to the students willing to pursue higher education in world-class universities including the Ivy League institutions. The 4th year also gives students a provision to submit a research thesis, a prerequisite for admission applications to premier universities in the USA and Europe. The 4th year facilitates a smooth transition to higher studies without losing an additional year.

FOUNDATION FOR COMPETITIVE EXAMS

The curriculum is designed to make students confident of appearing for **national and international level competitive exams** (e.g., GRE, UPSC, UGC-NET) and securing admissions in reputed universities in India and abroad.

CAMPUS-PLACEMENT & TRAINING

SRM University-AP has an unmatched record in UG Placements. An extensive series of industry and research specific seminars, workshops are being organised along with outstanding training programmes designed to professionalise students in their fields. The university also trains students who want to pursue higher studies abroad, irrespective of their specialisations.

INTERNATIONAL COLLABORATIONS

SRM University-AP has collaborations with many eminent institutions including University of Wisconsin, Madison, Illinois Institute of Technology, Northeastern University, Flinders University, Australia etc. Our students gain global exposure through the unique opportunity of spending a semester (or an academic visit) abroad, based on merit. The collaborations foster knowledge creation, skill enhancement, and advancement towards industry associations.

INFRASTRUCTURE

SRM University-AP has the best undergraduate psychology laboratories with psychometric assessments, experimental apparatuses, and latest biofeedback equipment.

Students also have access to a good library with offline and online resources, dining area, hostels, grocery store, Health Centre & Pharmacy, Bank with ATM, Post Office and other amenities. The University has a world-class campus designed by Perkins-Will, the American architecture firm that specialises in educational institutions.

FACULTY & AREAS OF INTERESTS

Most faculty members are doctorates from leading universities and institutes of national importance in India. In addition, faculty members have international experience in research, training from the finest institutes of the country and expertise covering all trending subfields in psychology.

Dr. Ninad Patwardhan: completed his doctoral studies from IIT (Indian Institute of Technology), Bombay. He works in the areas of positive mental health, health psychology and cognition and brings with him rich experience of working within the Liberal Arts framework for over 3 years.

Ms. Ayesha Parveen Haroon: has submitted her doctoral thesis at the University of Madras and has vast teaching experience. She works in the interdisciplinary area of linguistics, communication apprehension identifying psychological interventions to alleviate socially relevant issues. **Visiting Faculty and Guest Faculty are invited to handle courses based on their expertise, clinical practice and experience.**

CURRICULUM

The curriculum is designed within a liberal arts framework and follows the Choice Based Credit System recommended by the UGC (University Grants Commission). The uniqueness of the department lies in its potential to equip students to deal with real world problems, by giving students an in-depth understanding of psychology subjects as well as breadth of exposure in a number of related subjects, at the undergraduate level.

ELIGIBILITY

- A minimum aggregate score of 60% or equivalent grade point in Class X
- A minimum aggregate score of 60% or equivalent grade point in 12th Standard / Higher Secondary Examination (10+2)/ Intermediate (First and Second year)
