

Recruitment of Junior Research Fellow(JRF)

Fellowship Sponsored by Prime Minister
Early Career Research Grant: **Anusandhan
National Research Foundation (ANRF)**

Entitled Project: “From Machine Learning
Prediction to Device Integration: A Pipeline
for 2D Material Innovation in Spintronics.”

Preferable

NET/Gate qualified.

Project Duration – 3 years
(JRF will get opportunity to
register in Ph.D.)

Eligibility

First-class in M.Sc. in Physics with basic understanding in Solid state and computational physics.

Additional Qualifications

Expertise in Python, Machine learning and ab-initio calculations.

Fellowship

Rs 37000/- + 16% HRA/month for the first two years &
Rs 42000/- + 16% HRA/month for the third year.
